## Clergy's Corner—The Triduum

by Fr. Rafael Vega

The week between Palm Sunday and Easter Sunday, Holy Week, is the most sacred time of the year for Catholic Christians. During this special time, we take part in the Passion, Death, and Resurrection of Christ.

While Lent is a very important time in the Church, it is to help us through prayer, fasting, and almsgiving to prepare for the three days of the Triduum (Holy Thursday, Good Friday, and Easter Vigil / Easter Sunday, as the Center of our Faith).

The Church teaches that the Triduum is really one celebration that lasts for three days. We are called to gather together as brothers and sisters to celebrate and remember the saving action of Christ our Lord.

Please see *Clergy's Corner* on page 2

## Clergy's Corner *cont'd from page 1*

### Holy Thursday

On this night, we remember the Last Supper and celebrate the institution of the Eucharist and the Sacrament of Holy Orders. Jesus' sharing of His body and washing the feet of His apostles is a powerful example of how we are called to serve and care for one another.

### Good Friday

It is a day of fasting and penance and a time to examine all the times in our lives we fail to follow Christ and fall into sin. Good Friday is not a Mass. The Veneration of the Cross is a time for the faithful to individually revere the Cross and ponder the enormity of Christ's salvific act. Holy Communion that is given out has been consecrated on Holy Thursday; and once it is distributed, the priest, along with the entire congregation, departs in silence.

### Easter Vigil

The Easter Vigil reminds us of the early Church's tradition as the great celebration of adult baptism and confirmation. The Vigil begins in darkness (usually outside), and the procession of candlelight that enlivens the Church reminds us that Jesus is the light of the world who conquered all darkness and death. Those who are coming into full communion with the Church receive the sacraments of initiation, and we, as the community of believers, participate by renewing our own baptismal promises.

We recommit ourselves to Christ, rejecting sin and accepting the freedom that comes from living as children of God.

And so, the single celebration of these three days commemorates the fullness of the Paschal Mystery—the passion, death and resurrection of Jesus Christ, who dying for our sins and being resurrected, proclaimed that death is no longer the end of life for us. It is the beginning of new life.

There is Light in the darkness.  
Alleluia, Christ has risen!

## CDOB Well Represented at SA Missions Chapter Gathering

Members of the CDOB ACTS Chapter attended the first Chapter Gathering in San Antonio March 25–26, 2011. The gathering offered chapters from throughout the state and country to meet and discuss our activities, successes and challenges.

The gathering was attended by chapters from as far away as Connecticut and Louisiana. Cindy Garza and David Calvillo presented an overview of our presentation to the priest assembly in February.

David and his family are also among those featured in the new ACTS Missions video developed to introduce priests to the retreat. The video is viewable online at [www.actsmissions.org](http://www.actsmissions.org).

Several committees were formed to address challenges and to improve communication and collaboration among the chapters.

The group concluded the gathering by attending the outdoor Mass at the Oblate School of Theology Grotto.

We look forward to sharing information with you in the months ahead, particularly through this newsletter and at the leadership workshops.

Stay tuned!
